Re: David Wu for Congress  
C00329292

Dear Ms. deBeau:

This letter is in response to your letter dated September 22, 1998. First and foremost, I would like to make sure that the address that the FEC uses in the future for any correspondence be the following:

Donna K. Urban  
233 SE Second Avenue  
Hillsboro, OR 97123

Phone: 503-648-6651  
Fax: 503-640-8639

Thank you for making this change to your records.

Obviously there has been a gap in communication and while I have had the original letter for a few weeks, we were attempting to file the 9/30 and 10/14 reports timely. The second letter, dated October 15, was never received by the committee or myself. That being said, we are still very eager to address the problems and, in fact, we were in the process of identifying those problems last summer as soon as I came on board.

We addressed the issues in your letter by starting completely over. In doing so, I believe that we addressed most of the problems with the original report:

- The overlapping of the two original filings now is in two separate reports as they should have originally been filed.
- There are no longer omitted numbers in the Calendar-Year-To-Date columns.
- The Detailed Summary Pages are totaled at the bottom.
- Missing occupations have been added where we were able to obtain them.
- We have included better descriptions on the Schedule B.

The first point says there were some contributions that went over the limits and we needed to address them. One of those contributors (Ronald Sikes) received a refund and the other (Richard Dyke) was reattributed. The reattributed contribution was simply a correction since it always was a joint contribution from both the Dyke's.

We still have several contributors without complete addresses. Many attempts have been made to obtain them. However, the individual checks had only a name on them. In the future, no checks will be accepted without the payor information. However, these came by mail and it is difficult to obtain the information after the fact.

Where we have some expense reimbursements paid to personnel... the amounts were usually immaterial and paid to vendors that would never reach the \$200 threshold.

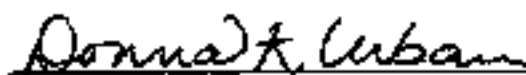

We did fail to make a 48 Hour Notice on the Primary Election. Actually, the contribution was received from a husband and a wife. We got one on the report and the other page never made it. We believe that our system in place will ensure that we do not miss our 48 Hour Notices for the General Election on November 3.

We do have systems in place to obtain missing employers and occupations. Attached is a letter that we send out as soon as contributions are added to our database without this information. Our solicitations have always included the appropriate request that we needed this information which is also included.

If you have any other questions about this report, please do not hesitate to call. Thank you for your patience and we are very sorry that it took two letters from you to get these report issues resolved.

Yours very truly,

FOR U.S. CONGRESS

October 10, 1998

Nancie McGraw  
707 SW Washington Street, Suite 934  
Portland, OR 97205

Dear Nancie:

I am writing you today for two reasons.

First, to thank you again for donating to David Wu's congressional race. Without support such as yours, it is impossible for us to get David's positive message of education and opportunity out to the voters.

Second, I would like to take a moment to fill out the enclosed donor envelope and be sure to fill out your **OCCUPATION**.

By F.E.C. mandate, we must disclose the occupation of all our donors of more than \$200.

Please note that "Housewife" is completely acceptable.

Please just put the envelope in the mail. We'll handle the paperwork!

Thanks again.

Sincerely,

Mia Riverton
